Individual Exhibitors may retain the services of GES at their own expense.

Exhibitors desiring to use display contractors other than the designated "Official Contractor" must obtain advance approval from AUSA. UNION JURISDICTIONS

To assist you in planning for your participation in the Annual Meeting, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have in the Washington, DC area we ask that you read the following:

Carpenter – Members of this union claim jurisdiction over all set up and dismantling of exhibits and laying of carpet. This does not apply to the unpacking and placement of your merchandise by your full-time employees provided no mechanical equipment or tools are required for uncrating or movement of equipment or merchandise. Merchandise includes items produced by your firm for sale which are to be used as a part of the display in your booth, or literature describing same. GES will have qualified union members available to assist you in the set up and dismantling of your exhibit and equipment. Please refer to the Labor Order forms in the Exhibitor Services Kit for the rates that will be charged for this service.

Teamster – This union claims jurisdiction on the operation of all material-handling equipment, all unloading and reloading of exhibit materials and equipment, and handling of empty containers. Please see Shipping Instructions and Material Handling Rates Form for the rates which will be charged for this service. An exhibitor may carry in, move, or carry out materials that may be carried by one person, without the use of dollies, hand trucks or other mechanical equipment. We must point out that the unloading and loading of truck shipments will take priority over hand-carried items. We will do our best to accommodate you in a reasonable time frame.

Tippling – Our Work Rules prohibit the SOLICITATION of tips by any of our employees. Our employees are paid excellent hourly wages denoting a professional status and we feel that tipping is not necessary. Should you be SOLICITED for a tip, please report the incident to GES as soon as possible.

NO SALE CLAUSE

To ensure the Annual Meeting is conducted in a manner consistent with the educational mission of the Association, exhibitor will not make sales or solicit, or accept orders for any product or service in the exhibit halls or within other facilities of the Annual Meeting. Exhibitors may only distribute printed materials, promotional items, literature and publications from the exhibitors' booth. No such items may be distributed in Association offices, eating places and/or other common areas of the Annual Meeting. The Association reserves the right to remove and discard materials distributed during the Annual Meeting other than pursuant to the above.

FIRE REGULATIONS
